CORNERSTONE TECHNICAL GROUP, INC.

Products By Vendor

ABB / Jokab - Complete line of industrial robots and safety products.
www.abb.com

ABI - IP69K stainless steel motors and gearboxes.
www.abi.nl/en

Ametek / Dunkermotor - Modular integrated motion systems, motors, drives & controllers.
www.dunkermotor.com

Aubo Robotics - Collaborative Robots (Cobots)
aubo-usa.com

Bosch Rexroth (Indramat) - Electric drives, controls and linear technology.
www.boschrexroth.com/en/us/

Datalogic (Accusort, Datasensor, Laservall) - Barcode scanners, sensors, laser marking & vision.
www.datalogic.com

Dynics / Ann Arbor - Industrial monitors & computers, servers and network security.
www.dynics.com

E-Drive - Wide array of small to extremely heavy duty electric cylinders.
www.edriveactuators.com

Empire Magnetics - Electric motors for harsh environments.
www.empiremagnetics.com

Exlar / Curtiss-Wright - Linear and rotary integrated actuators.
www.exlar.com

Kollmorgen (Danaher, Pacific Scientific, IDC) - Servo drives, rotary, linear and direct drive motors.
www.kollmorgen.com

Leuze - Switching & measuring sensors, safety electronics, barcode scanners, data transmission & vision systems.
www.leuze.com

Macron Dynamics - Custom actuators and gantries.
www.macrondynamics.com

Measurement Specialists / National Scale - Load cells, load pins, and instrumentation for the toughest applications.
www.msnst.com

NSK - Linear motion technology.
www.nskautomation.com

Patlite - Visual and audible Indicators.
www.patlite.com/us

RFID Inc - RFID tags and readers.
www.rfidinc.com

RTA - EtherCat stepper drives.
www.rta.it

Soltus - Service, software and custom data solutions.
www.soltus.com

Stober - Gear reducers and power transmission products.
www.stober.com

Technosoft - Intelligent and univeral drives and motors.
www.technosoftmotion.com

Thomson / Boston Gear - Linear bearings & guides, ballscrews, actuators & gearboxes.
thomsonlinear.com

TR Electronic - Sensors, encoders and linear measurement systems.
www.trelectronic.com

Trio Motion / Estun - Motion controllers, servo drives and motors
www.triomotion.com

Service and On-Site Support

Cornerstone Technical Group has factory trained and certified personnel available to help you with on-site and off-site service.

Pre-Sales: Help you determine what products are required to accomplish your goals for upgrades and new systems.

Post-Sales: Help install, commission, setup, program and troubleshoot the products that we represent and get them interfacing to your existing infrastructure.

ASSOCIATION FOR HIGH TECHNOLOGY DISTRIBUTION **AHTD**

*Not all lines are represented in all areas

CORNERSTONE TECHNICAL GROUP, INC.

MISSION

Increase customers return on investment by providing and supporting the implementation of "best of breed" industrial automation solutions including scaleable software, hardware, and training.

ASSOCIATION FOR HIGH TECHNOLOGY DISTRIBUTION — AHTD

PRODUCTS BY TECHNOLOGY

AC/DC Motors & Drives	Motion Controllers
Actuators	Operator Interfaces & HMIs
Barcode Scanners & Printers	PLC's & I/O
Collaboative Robots	Radar-Based Volumetric Safety Barriers
Direct Drive Motors	RFID tags & readers
Encoders	Robotics
Gantries	Safety Devices
Gearboxes	SCADA/HMI Software
I/O & Bus Couplers	Sensors
Industrial Computers, Monitors & Enclosures	Service & Data Solutions
Laser Marking	Servo/Stepper Systems
Light Curtains	Specialty Sensors
Load Cells & Load Pins	Vision Systems
Modular Motors, Drives & Controllers	Visual & Audible Indicators
